50TH ANNIVERSARY

*Reflecting on our Past. Celebrating our Present.
Resolving for a Brighter Future.*

This year, our annual Spring event, a Toast for Justice, and our annual Fall Gala will lift up the 50-year impact of Cabrini Green Legal Aid (CGLA). The 50th Anniversary celebration will include an Art & Archive Exhibition on display inside CGLA's office. The Exhibition will feature contributions from directly or community-impacted artists and lift up key moments of CGLA's history and impact. The Exhibition will also explore CGLA's place in the larger history of the criminal legal system in the United States with a particular focus on racial justice implications.

CGLA's 50th Anniversary is a jubilee in three parts: Reflection (past); Celebration (present); and Resolution (future).

We will reflect on our past, both accomplishments and learning opportunities. We will lift up successes and wins on behalf of our clients and our collective impact through partnering with community members and advocates in advancing justice. We will spotlight CGLA Champions of Justice who have made significant contributions to both CGLA and the field.

With renewed insights from our past and present, we will resolve to lay the foundation for a better path forward. Collectively envisioning what CGLA could be in order to continue to fulfill its purpose in removing barriers to equity into the next 50 years.

Our Mission

We provide holistic legal services that include social support services and advocacy for individuals and communities negatively impacted by the criminal legal system.

Our Vision

A more just and equitable criminal legal system.

Our Purpose

CGLA exists to remove barriers to equity in the criminal legal system.

WHO WE ARE

Every day across Illinois, families and communities are harmed by the criminal legal system. Cabrini Green Legal Aid (CGLA) is here to help, providing legal services, social support and advocacy to knock down barriers. CGLA's focus on individuals and communities impacted by the criminal legal system, city and statewide, through both legal services and policy advocacy, is unique in the legal aid field.

We bring drive, commitment, and compassion to our work with adults and young people experiencing the intersection of poverty and criminalization. Through holistic legal services in criminal defense, family law and housing, and criminal records mitigation, we help individuals and families stay connected, maintain housing, and create pathways out of the criminal system and into economic stability.

CGLA was founded in 1973 to serve the residents of the Cabrini-Green housing project, and since that time, we have expanded to serve individuals across Chicago and Cook County, and communities statewide. Our deep Chicago roots and work across Illinois means that we have the standing, the reputation, and the relationships to support policy-making tables pushing for fairness and justice.

We have worked with coalitions and partnered with individuals directly impacted to help disrupt the cycle of criminalization and address the damage done to communities. Through our staff and partnerships, and with the aid of volunteers, our work serves 8,000 plus clients per year, as well as communities all over Illinois. With the support of our funders and donors, we are making a difference.
