

**STAND FOR
JUSTICE
WITH US.**

WHO WE ARE

Every day across Illinois, families and communities are hurt by the criminal justice system. In response, Cabrini Green Legal Aid, known as CGLA, is there to help, providing legal services, social supports and advocacy to knock down barriers. That makes CGLA one of the few statewide organizations where people can access justice and have their voices heard.

We bring drive, commitment and love to our work with adults and young people experiencing poverty. We help them clear their records and create pathways to jobs, housing and education. Our wrap-around services benefit whole families.

With nearly 50 years of experience, we are the agency people come to for lessons on how to change systems. Our deep Chicago roots and work across the state mean that we have the standing, the reputation and the relationships to lead and support policy-making tables to push for fairness and justice.

We have built coalitions to heal the damage done to communities. And, we have nurtured leadership and self-advocacy skills in the 8,000-plus clients we serve each year. Our work is for the greater good of everyone, and we've made a difference in people's lives.
