ANNUAL PARTNERSHIP

**REMOVE BARRIERS
TO EQUITY WITH US**

OUR MISSION

We provide holistic legal services that include social support services and advocacy for individuals and communities negatively impacted by the criminal legal system.

OUR VISION

A more just and equitable criminal legal system.

OUR PURPOSE

CGLA exists to remove barriers to equity in the criminal legal system.

WHO WE ARE

Every day across Illinois, families and communities are harmed by the criminal legal system. Cabrini Green Legal Aid (CGLA) is here to help, providing legal services, social support, and advocacy to knock down barriers. CGLA's focus on individuals and communities impacted by the criminal legal system, city and statewide, through both legal services and policy advocacy, is unique in the legal aid field.

CGLA was founded in 1973 to serve the residents of the Cabrini-Green housing complex, and since that time, we have expanded to serve individuals across Chicago and Cook County, and communities statewide. Our deep Chicago roots and work across Illinois mean that we have the standing, the reputation, and the relationships to support policy-making tables pushing for fairness and justice.

We bring drive, commitment, and compassion to our work with adults and young people experiencing the intersection of poverty and criminalization. Through holistic legal services in **criminal defense, family law, housing, and criminal records** mitigation, we help over 8,000 clients annually to stay connected, maintain housing, and create pathways out of the criminal system and into economic stability. Our collaborative policy efforts with the Leadership Council, individuals with lived experience in the system, have an even further-reaching impact, benefiting millions affected by a criminal record.

We have worked with coalitions and partnered with individuals directly impacted to help disrupt the cycle of criminalization and address the damage done to communities. Through our staff and partnerships, the aid of volunteers, and with the support of our funders and donors, we are making a difference.
