REMOVE BARRIERS TO EQUITY WITH US

WHO WE ARE

Every day across Illinois, families and communities are harmed by the criminal legal system. Cabrini Green Legal Aid (CGLA) works to break down these barriers through legal services, social support, and advocacy. Founded in 1973 to serve Cabrini-Green housing residents, we now assist individuals across Chicago, Cook County, and beyond.

Our holistic approach—spanning criminal defense, family law, housing, and criminal records mitigation—helps over 8,000 clients annually stay connected, maintain housing, and achieve economic stability. We also drive systemic change through policy advocacy, collaborating with coalitions and individuals with lived experience to disrupt cycles of criminalization.

With deep Chicago roots, strong partnerships, and committed supporters, CGLA fights for fairness and justice, ensuring a lasting impact on communities across Illinois.

A MESSAGE FROM OUR EXECUTIVE DIRECTOR

Dear Friends,

At Cabrini Green Legal Aid, we provide legal services, advocacy, and social support to individuals and communities negatively impacted by the criminal legal system. Our work goes beyond individual cases – we collaborate with community, court, and coalition partners to drive systemic and policy change across Illinois.

Each year, we serve thousands directly and help shape policies that impact millions. By removing barriers to housing, employment, and family stability, we help create real opportunities for people to thrive.

As an annual sponsor, your support advances justice and equity, and I invite you to join us in this critical and transformative work.

Sincerely,

Xisra C Edwards
